

Store Closure Wesley Owen Bristol

It is with great regret that we have to inform our customers of the closure of the Wesley Owen store in Bristol.

The recent economic conditions and the shift to online and digital books sales have meant for extremely challenging trading for High St book retailers. So we took the regrettable decision to permanently close this store as of Wednesday 25th January 2012. We are aware of the implication of this decision for our staff and our customers, and are truly sorry to have to do this.

All outstanding customer enquiries to should be directed to:-

bristol@wesleyowen.co.uk or to 01908 268503.

Orders can still be placed through our website at

www.wesleyowen.com.

We are genuinely sorry to have to inform you of this decision, which was taken after much prayer and consideration. We recognise that we had a highly committed team working in the store, and this closure should in no way be construed as a reflection on the hard work of the team, which was very much appreciated and will be missed.
