About Wesley Owen

Wesley Owen opened its first shop in Bromley in 1992. We now have eight shops across the UK plus our web store – wesleyowen.com.

Our company name unites two streams of evangelical spirituality represented by John Wesley and John Owen – both great preachers, authors, and exemplars of Godly living.

We aim to make available a wide range of quality Christian books, music, and ministry resources – reflecting the diversity of Christian life and witness.

Wesley Owen is part of the Koorong family of stores.

**Shop at one of our eight

Welcome to Wesley Owen's Church Partnership Scheme

Why join the Wesley Owen Church Partnership Scheme (CPS)?

Wesley Owen would love to partner with your church to help resource your leaders and ministries.

We offer discounts on purchases specifically for the church as well as on personal purchases by your leaders.

You will be able to keep in touch with our latest offers and take advantage of our everyday low prices through our regular emails and catalogues.

In addition we can arrange a bookstall service providing goods on a sale or return basis for special services, events, or occasions.

We understand that people nominated may already have Wesley Owen member numbers. Each individual would continue to use that member number for any personal purchases. Wesley Owen will allocate new member numbers to individuals if they are not already members.

Bulk Discounts

We may be able to offer additional discounts on bulk purchases you make.

Partnering with us

Simply complete the registration form with details of your ministers, treasurer, representative, and up to four other people who are able to make purchases on behalf of the church.

Wesley Owen will allocate your Church Partnership Membership Account Number to be used by those nominated people when purchasing items specifically for the church.

Collect a registration form from your local Wesley Owen store or download from wesleyowen.com
